WHAT WE DO

Double A+ provides on-site, equipment-specific operator training and evaluation for your team at your facility, on your equipment, and on your schedule. We help you develop safer, more skilled operators while reducing risk and operational downtime.

THE DOUBLE A+ ADVANTAGE

- ✓ 15+ years of real-world field experience
- ✓ Class 1-7 equipment experience
- ✓ Crane/rigging + heavy excavation background
- ✓ 25+ years CDL/commercial driving experience, including 15+ years hauling heavy equipment
- ✓ Training on the customer's actual equipment
- ✓ Equipment-specific instruction
- ✓ Hands-on practical evaluation - not classroom-only training
